No June Meeting!

K6IRD, Sharon Spring DXer of the Year

On May 7th Scott, W6MKO, George, N6VNI, and Kris, KC6TOD, went to see Sharon and presented her with the 2019 DXer of the Year Award.

Even though we had to cancel the Convention and we have been unable to have regular meetings, she needed to receive this award. Yes, she was surprised and we are so sorry that it was not given to her in front of a full audience which she definitely deserved.

Good News from Jerry, K6QU

The results of this week's PET scan was negative for cancer! I'll still be having the stem cell transplant which will involve about a month of isolation at City of Hope but if all goes as planned that should kill it off once and for all. I'll be QRV from CoH with my laptop, of course.

Jerry

Hello Club Members,

It seems time is marching on but we can't just yet. We are working on getting our new meeting place ready to go. I have seen several of the bands have had a lot of activity which is a good sign that DXer's are not abandoning their shacks. Hopefully, things besides the bands will open up all the way. It was my pleasure to present Sharon Spring the DXer of the year award. It is too bad I couldn't present it to her at the convention but this is strange times we live in right now. She was very appreciative and very surprised, she really worked hard to get the countries she needed. Our hats should go off to her. That is all for now, please stay healthy and safe.

73,

Scott Orr

VP June 2020 Blurb

Doug - W6HB

I have nothing of major importance to report as of the BULLETin deadline as most are still in quarantine.

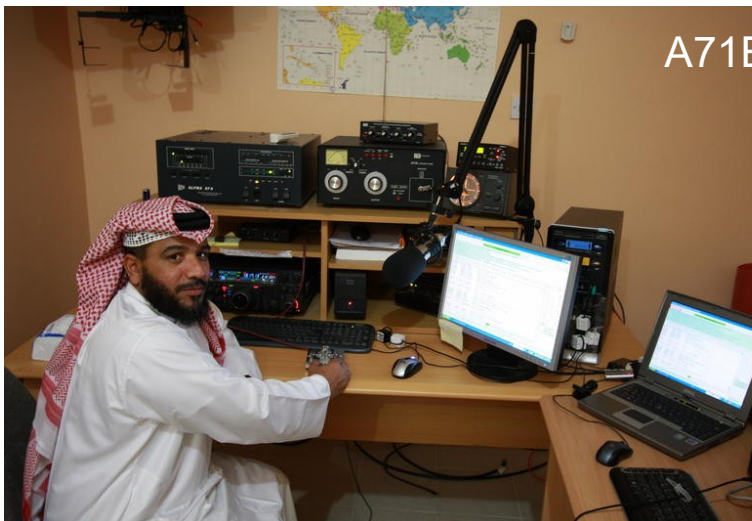

Your club is still in need of a lead and team to take on the administering of the "Edgar Ward Brown N6OU Award." Please contact Scott, W6MKO, if you are interested.

Scott, W6MKO, has sent out a survey to see who would attend a meeting at Gus's BBQ and Deli in Paramount at 0900 on June 13. Please respond ASAP.

A work party is still needed to remove SCDXC property from WEMS. Please contact Scott, W6MKO, if you are available to assist and or if you want any of the chairs we need to rehome.

Here's hoping all are in good health and enjoying family time and on the air activities.

73 and Good DXing!

Rumors on the Band

Now that the COVID-19 pandemicless (A new word that indicates a faux pandemic) has shut down the world it has become unnecessary to post the Rumors on the Band! Note that there are only three DXpeditions listed on NG3K. KL7, ZF, and KG4. **KG4, Guantanamo Bay, is the only one that would be listed here. W1SRR will be active from 6/15 to 7/15.**

In spite of this there is plenty of DX operating from home so get on the air!

Bill, N6WS is the only one who updated his standings. He has increased his challenge count. Peter, N0FW, standings were also added to the list. With the COVID lockdown we should be more active and not glued to the TV wondering when our politburo will free our economy. If you want to see something interesting look at the link below. May was another big month. SCDXC members picked up 9 new entities for the year while ClubLog Leaders only 1. What is interesting is 20 meters is staying open well into the night. In fact, it is a 24 hour band. One would not expect this at the sunspot minimal!

If you notice our perennial leader, Ken, N6WT has been bested by a new rival! Peter, N0FW, is an old new member! He is a past president and now lives in the Midwest! If you spend any time on the bands you know Peter is one of the most prolific DXers around. He is heard everywhere and all the time! Welcome Peter! Enjoy the Fellowship of the Schroed! Kent don't feel bad. Peter #1 on the CLubLog global leaders list. He is 2 ahead of K2ZZ and the rest of the pack is 5 behind him! Like I said, Peter is very active.

With Peter's contribution the club is now 10 entities behind the CLubLog leaders and have picked up 5 entities that the leaders have not. Of course, for both cases people have worked and logged stations from entities that have not been active. How many need Amsterdam Island, Cameroon, or Myanmar? Please edit your standings!!!!
